PROFESSIONAL PROFILE

Controller and Certified Accountant with over 20 years of experience in management control, financial planning and auditing, across the transport, retail, food-service and media sectors.

A consolidated track record of supporting management in strategic decision-making, ensuring rigour in budget planning and control, in financial reporting and in regulatory compliance.

A proven ability to simplify complex processes and turn data into actionable information, using Business Intelligence and Data Analytics tools.

KEY COMPETENCIES

Management Control · Budget Planning & Control · FP&A · Forecasting & Variance Analysis · Financial & Management Reporting · Executive Reporting & KPIs · Business Intelligence (Power BI) · Data Analytics · Financial Modelling · Strategic Decision Support

PROFESSIONAL EXPERIENCE

Head of Planning & Management Control

Dec 2025 – Jul 2026

RTP – Rádio e Televisão de Portugal · Lisbon

- Led a team of 2 controllers in the full redesign of the management-information reporting process, migrating reports based on SAP BI extractions and Excel files to Power BI dashboards, with direct connections to databases and SharePoint files, reducing monthly report production time by 50%.
- Integrated generative-AI tools (Claude) into the team's work: development of DAX measures, task automation and preparation of management analyses.
- Initiated the redesign of the company's cost-centre plan (around 2,000 cost centres), with mapping and restructuring work under way at the time of departure.
- Contributed to the preparation of the Annual Report and Accounts, the Activities and Budget Plan (PAO) and public-service reports of a company with a turnover of around €240 M.
- Member of the team handling the transition to SNC-AP (public-sector accounting standards), responsible for redesigning the ERP and the accounting processes for the new regulatory framework.

Management Controller

Apr 2022 – Nov 2025

TML – Transportes Metropolitanos de Lisboa, EMT, S.A. · Lisbon

- Managed the annual budget cycle of around €320 M of the entity that manages the Lisbon Metropolitan Area public transport system (Carris Metropolitana and the navegante ticketing system), from preparation to monitoring, ensuring alignment with strategic objectives.
- Analysed budget execution, identified variances and proposed corrective measures, presented monthly to the Board.
- Took part in the monthly closings, contributing to a reduction of the closing time by around 3 to 4 working days.
- Implemented cost accounting in the ERP system, structuring around 40 cost centres and integrating it into the monthly closing cycle.
- Developed Power BI dashboards and advanced Excel models (Power Query, Power Pivot), used by the Board of Directors and senior managers to access management information.
- Contributed to financial and regulatory reporting to supervisory authorities, ensuring compliance with legal deadlines.
- Took part in public-procurement processes, validating the budget execution of contracts.
- Liaised with external auditors, ensuring compliance and the timely provision of information.

Management Controller

Sep 2012 – Apr 2022

h3 Portugal, S.A. · Lisbon

- Structured and managed the annual budgeting process of a food-service group with 3 brands and 80 outlets (turnover of around €50 M).
- Prepared monthly budget reviews and forecasts, adjusted to business developments.
- Contributed to the monthly closing process, including the analysis of key performance indicators (KPIs).
- Designed and maintained an integrated management-reporting system for the group's 5 companies.
- Created dynamic Power BI dashboards and Excel financial models for KPI monitoring.
- Optimised inventory-management processes, reducing inventory variances by 4%.

Controller

Jun 2010 – Aug 2012

El Corte Inglés, Grandes Armazéns, S.A. · Lisbon

- Prepared and monitored annual budgets, aligned with the organisation's objectives.
- Produced management reports and KPI dashboards, strengthening executive decision support.
- Developed and analysed business plans supporting growth and diversification.

Internal Auditor

Jul 2004 – Jun 2010

El Corte Inglés, Grandes Armazéns, S.A. · Lisbon

- Assessed corporate governance and internal control, ensuring compliance and risk mitigation.
- Performed cross-functional audits of suppliers, customers and accounting areas.
- Implemented risk-management strategies, strengthening financial and operational reliability.
- Distinguished with the 1st National IPAI Award 2010 for the best internal-auditing work.

EDUCATION

- Postgraduate Diploma in Data Science & Business Analytics — ISEG Executive Education (2024), final grade 16/20.
- Master's Degree in Auditing — ISCAL (2010), final grade 15/20. Best Master's Student Award 2009/2010.
- Postgraduate Diploma in Taxation — IERU, University of Coimbra (2006), final grade 16/20.
- Bachelor's Degree in Accounting and Administration, Auditing Branch — ISCAL (2005), final grade 12/20.

AWARDS & SPEAKING ENGAGEMENTS

- IPAI Award 2010 — Best Paper (1st place), Portuguese Institute of Internal Auditing (IIA Portugal), for the work "The Role of the Internal Auditor in the Social Responsibility of Organisations", with associated talks at academic and professional conferences (ISCTE-IUL, IPEiria and ISCAL, 2010).
