PROFESSIONAL PROFILE

Controller and Certified Accountant with over 20 years of experience in management control, financial planning and auditing, across the transport, retail, food-service and media sectors. A consolidated track record of supporting management in strategic decision-making, ensuring rigour in budget planning and control, in financial reporting and in regulatory compliance.

A proven ability to simplify complex processes and turn data into actionable information, using Business Intelligence and Data Analytics tools.

Combines a solid foundation in accounting and taxation with a strong analytical mindset and results orientation, contributing to improved organisational performance and process efficiency.

KEY COMPETENCIES

Management Control · Budget Planning & Control · FP&A · Forecasting · Variance Analysis · Monthly Closing · Cost Accounting · Financial & Management Reporting · Executive Reporting & KPIs · Business Intelligence (Power BI) · Data Analytics · Financial Modelling · Internal Audit · Internal Control · Risk Management · Compliance · Public Procurement · Strategic Decision Support

PROFESSIONAL EXPERIENCE

Area Manager: Planning & Management Control

Dec 2025 – Present

RTP – Rádio e Televisão de Portugal · Lisbon

- Full redesign of the management-information reporting process, migrating reports based on SAP BI extractions and Excel files to Power BI dashboards, with direct connections to databases and SharePoint files.
- Implementation of process and task automation.
- Redesign of the cost-centre plan.
- Collaboration in preparing the Annual Report and Accounts, the Activities and Budget Plan (PAO) and public-service reports.
- Member of the team handling the transition to SNC-AP (public-sector accounting standards), redesigning the ERP and the accounting processes for the new regulatory framework.

Management Controller: Management Control

Apr 2022 – Nov 2025

TML – Transportes Metropolitanos de Lisboa, EMT, S.A. · Lisbon

- Preparation and monitoring of the annual budget, ensuring alignment with strategic objectives.
- Analysis of budget execution, identification of variances and proposal of corrective measures.
- Coordination of monthly closings, ensuring the accuracy and reliability of financial information.
- Implementation of cost-accounting processes in the ERP system.

- Development of financial analyses and dashboards in Power BI and advanced Excel (Power Query, Power Pivot), improving access to management information.
- Preparation of financial and regulatory reporting for supervisory authorities.
- Participation in public-procurement processes, with validation of budget execution.
- Management of the FileDoc document-management platform.
- Liaison with external auditors, ensuring compliance and the timely provision of information.

Management Controller: Management Control

Sep 2012 – Apr 2022

h3 Portugal, S.A. · Lisbon

- Preparation and monitoring of the annual budgeting process for a diversified group of food-service companies.
- Monthly budget reviews and preparation of forecasts, adjusted to business developments.
- Management of the monthly closing process, including analysis of key performance indicators (KPIs).
- Development and maintenance of an integrated management-reporting system.
- Creation of dynamic Power BI dashboards and Excel financial models for KPI monitoring.
- Optimisation of inventory-management processes, increasing efficiency and reducing the risk of error.
- Liaison with external auditors.

Controller

Jun 2010 – Aug 2012

El Corte Inglés, Grandes Armazéns, S.A. · Lisbon

- Preparation and monitoring of annual budgets, aligned with the organisation's objectives.
- Production of management reports and KPI dashboards, strengthening executive decision support.
- Development and analysis of business plans supporting growth and diversification.
- Liaison with external auditors.

Internal Auditor

Jul 2004 – Jun 2010

El Corte Inglés, Grandes Armazéns, S.A. · Lisbon

- Assessment of corporate governance and internal control, ensuring compliance and risk mitigation.
- Performance of cross-functional audits of suppliers, customers and accounting areas.
- Implementation of risk-management strategies, strengthening financial and operational reliability.
- Liaison with external auditors.

EDUCATION

- Postgraduate Diploma in Data Science & Business Analytics — ISEG Executive Education (2024), final grade 16/20.
- Master's Degree in Auditing — ISCAL (2010), final grade 15/20. Best Master's Student Award 2009/2010.
- Postgraduate Diploma in Taxation — IERU, University of Coimbra (2006), final grade 16/20.
- Bachelor's Degree in Accounting and Administration, Auditing Branch — ISCAL (2005), final grade 12/20.

AWARDS & SPEAKING ENGAGEMENTS

- IPAI Award 2010 — Best Paper (1st place), Portuguese Institute of Internal Auditing (IIA Portugal), for the work "The Role of the Internal Auditor in the Social Responsibility of Organisations".

- Talks at conferences and congresses on internal auditing and social responsibility: GIRA 2010 (ISCTE-IUL), 2nd International Congress of Legal-Business Sciences (IPLeiria, 2010) and ISCAL Round Table (2010).
